

## Partners in Mission

Want to support the ministry of [Chris and Terri Chapman](#) and **save money** at the same time? Impossible? No!

Dec Fin makes it possible for you to make a donation at no cost to you!  
Here's how:

Let us give you a quote for your Auto and/or Homeowners Insurance  
and we will donate \$10

If you like the quote and purchase the insurance we will donate an additional \$40

On average we save a family about \$600 a year

To maximize the fundraising effort, we ask that you donate 50% of your savings—  
approximately \$300.

**Total** **NO-COST** **Donation = \$350!**

Your cost was **NOTHING** and the Chapman's ministry receives a donation!

Your benefits?

- You have less expensive insurance
- There is no risk to you
- You may be able to write-off the contribution
- You have saved money *and* have been able to support the Chapmans
